Ask Ollie!

For stimulating (caffeinated) brews and delectable pastries, **Bean Around** on Cathedral Square is the place to go.

On occasion, I have been known to sample the odd pint of ale, but there is nothing odd about the ale at the **Ostrich Inn**, an excellent "backstreet boozier" with a contemporary twist. If you fancy a (half) pint of the unusual, then **Blind Tiger** may be for you.

Ian Paul, 1931–2021

Our long-standing Foreman, Ian, passed away on 24 February 2021 following a short illness.

A veteran of Offley, Winchester, and White Horse, among others, in 1979 Ian became a founder member of Peterborough Morris. His extensive knowledge and prodigious skill as a dancer made him an authoritative Foreman, a role which he held for most of the past 40 years.

Members of Peterborough Morris are wearing black armbands in remembrance of Ian, as a mark of respect for the enormous contribution that he made to the side.
